### FOR IMMEDIATE RELEASE

March 3, 2022

## County Service Area (CSA) Road Maintenance Benefit Assessment Survey

The Calaveras County Board of Supervisors has directed Public Works staff to survey CSA property owners to determine if they would be interested in having the current per-parcel assessment fee raised to fund additional road improvements and a higher level of on-going maintenance in their service area.

The results of this survey will aid the Board of Supervisors in deciding whether or not to move forward with these efforts in each CSA.

Calaveras Public Works Department invites CSA property owners to participate in the survey and provide their input. Property owners will find the survey posted to the Calaveras County Public Works homepage. Submissions will only be accepted from **CSA property owners** (one submission per parcel).

<https://publicworks.calaverasgov.us/>

On the banner at the top of the page, hover your cursor over the CSA tab. A drop-down menu will appear with the names of CSAs in Calaveras County. Click on your CSA and you will be directed to the survey instructions. The link to your CSA's survey will be at the top of that page.

This survey will conclude on March 31, 2022 at 11:59 PM.

The results of these surveys are scheduled to be presented to the Board of Supervisors on April 26, 2022.

If you have any questions, please contact Jacob Lile, PW Analyst at [jlile@co.calaveras.ca.us](mailto:jlile@co.calaveras.ca.us) or (209) 754-6401.
